

INSTRUCTION FOR AUTHORS

Bulletin of Pharmaceutical Research - 'Bull. Pharm. Res.' (A Triannual Publication of Association of Pharmacy Professional 'APP') accepts original articles on any subject area related to pharmaceutical sciences including Pharmaceutics, Pharmaceutical Chemistry, Pharmacology, Pharmacognosy, Phytopharmacy and Phytomedicine, Pharmaceutical Biotechnology/Microbiology, Pharmaceutical analysis, Drug regulatory affairs, Quality control/assurance, Biomedical and other allied sciences. Submission of original manuscripts from all the countries of world are welcome. Reviews by experts of specific subject areas are also invited.

Manuscripts should be submitted only through email at editorbpr@rediffmail.com along with scanned copy of duly filled and signed undertaking form.

Each submitted manuscript will be given a unique manuscript ID within one week of submission. All future correspondence should be done through email mentioning manuscript ID in the subject line.

Manuscript should be written in Word format, double-spaced throughout in Times New Roman 12 font size. All headings should be in bold and capital, subheadings in bold and italic, and further subheadings in italic only.

The text should be divided into the following sections: Abstract (max. 150 words), Key words (max. 6), Introduction, Materials and Methods, Results, Discussion (or Results and Discussion), Conclusion (may be part of discussion), Acknowledgements (if any) and References (not more than 30 for research articles, 75 for review articles).

All the tables and figures should be prepared in Word format and arranged at last of the manuscript and their position should be indicated as << Table 1 >>, << Figure 1 >>, << Scheme 1 >> in the main text.

References must be typed in following format:

a) *for research/review article:*

Author surname followed by initial. Title of paper, Journal name (abbreviated and in italics) Year;Vol no.(Issue no.):Page no. range. [DOI: (if any)]

Dahiya R. Synthesis, characterization and biological evaluation of a glycine-rich peptide - cherimolacyclopeptide *E. J. Chil. Chem. Soc.* 2007;52(3):1224-9. [DOI: 10.4067/S0717-9707200700030000]

Kumar V, Madan AK. Application of graph theory: prediction of glycogen synthase kinase-3 beta inhibitory activity of thiazolidinones as potential drugs for the treatment of Alzheimer's disease. *Eur. J. Pharm. Sci.* 2005;24(2-3):213-8. [DOI: 10.1016/j.ejps.2004.10.013]

Dahiya S, Pathak K, Sharma R. Development of extended release coevaporates and coprecipitates of promethazine HCl with acrylic polymers: Formulation considerations. *Chem. Pharm. Bull. (Tokyo)* 2008;56(4):504-8. [DOI: 10.1248/cpb.56.504]

Himaja M, Kumar KH, Ramana MV, Belagali SL. Synthetic studies on pseudostellarin A. *Pol. J. Chem.* 1999;73(11):1903-7.

b) *for book:*

Author surname followed by initial. Title of book, Publisher: City/Country, Year; Page no. range.

Bodanszky M, Bodanszky A. The Practice of Peptide Synthesis, Springer-Verlag: New York, 1984; 78-143.

References must be cited in text in following format:

a) *for articles having one author:*

(Author surname, year) eg. (Dahiya, 2007)

b) *for articles having two authors:*

(First author surname and second author surname, year) eg. (Kumar and Madan, 2005)

c) *for articles having more than two authors:*

(First author surname followed by *et al* year) eg. (Dahiya *et al* 2008), (Himaja *et al* 1999)

Corresponding author has to pay minimum 'Processing and English Editing Charges' if the manuscript is accepted for publication. Duly filled and signed copyright form must be submitted while returning the manuscript after proof reading. Corresponding author will receive full paper PDF of the published article free of charge.

All the manuscripts are subjected to peer-review procedure and editorial board reserves the right to condense or make necessary changes in the research/review articles. Responsibility of contents of the manuscript rests on the authors and not upon the editor/publisher.

The manuscript which are not prepared as per guidelines will not be entertained and returned to the corresponding author.

Some important points to consider before submitting manuscript:

◆ Millilitre should be written as 'ml' not as 'mL' or 'millilitre' ◆ Grams should be written as 'g' not as 'gm' or 'gms' ◆ Temperature should be written as '25°C' not as '25 °C' or '25⁰C' or '25 ⁰C' ◆ Percentage should be written as '25%' not as '25 %' ◆ Hours should be written as 'h' not as 'hr' ◆ Bacterial/fungal/any other species name should be mentioned in italics ◆ Each term mentioned in abbreviated form in the text must be written in full followed by its abbreviation wherever used first time in manuscript ◆ Multiplication sign should be inserted as symbol '×' not as 'small x' ◆ Terms like 'et al', 'α', 'β', 'γ', 'δ', 'ε', 'η', 'μ', 'ν', 'in vivo', 'in vitro', 'w/w', 'w/v', 'tert', 'iso', 'm/z' should be mentioned in italics wherever used in manuscript ◆ Terms 'ortho', 'meta' and 'para' should be written in italics as 'o', 'm' and 'p' ◆
