**AWARDS RECEIVED**

**Mr. Nidhish Gaurav** UG student, Globus College of Pharmacy, Bhopal, Madhya Pradesh presented a research paper entitled 'Synthesis and Biopotential of Some Novel Heteropeptide Analogs' in poster session and won "BEST POSTER PRESENTATION AWARD" during International level Seminar on the 'Role of Chemistry in Drug Discovery' at Siddhartha Academy, Vijaywada, Andhra Pardesh on 6th July, 2013. This scientific event was conducted by Royal Society of Chemistry (London)-Deccan Section and Krishna University, Machilipatnam, Krishna, Andhra Pradesh. The event was graced by presence of Prof. V. Peesapati, Prof. M.V. Basaveswara Rao and many other professionals.

**Ms. Ragini Onker** PG student, Globus College of Pharmacy, Bangrasia, Bhojpur Road, Bhopal, Madhya Pradesh attended National Seminar on ‘Current Trends in Pharmaceutical Technology and Drug Design’ organized by Sagar Institute of Pharmaceutical Sciences, Sagar, Madhya Pradesh at college campus on 22nd September, 2013. She won second “BEST POSTER PRESENTATION AWARD” in ‘Pharmaceutics’ Section on her presentation on ‘Extended Release Polymeric Dispersions of a Highly Water Soluble Drug - Metformin Hydrochloride’. The seminar was witnessed by Dr. Ajay Tiwari (Chancellor, S.V.N. University, Sagar), Dr. Anil Tiwari (Vice Chancellor, S.V.N. University, Sagar), Prof Ashutosh Kar, Prof. A.K. Jain - Principal of the hosting institute.

**Dr. Ashish Manigauha** Head, Department of Pharmacology, Technocrats Institute of Technology - Pharmacy, Bhopal, Madhya Pradesh attended APP 3rd Annual National Convention on ‘Novel Drug Discovery and Development: Current Status and Challenges Ahead’ organized by Association of Pharmacy Professionals at Faculty of Pharmacy, Dharmsinh Desai University, Nadiad, Gujarat on 18th January, 2014. He won “BEST ORAL PRESENTATION AWARD” in ‘Phytochemistry’ Section for his presentation on topic ‘In-vivo Antitumor Potential of Ipomoea pes-caprae on Melanoma Cancer’ during the convention. He is a life member of Association of Pharmacy Professionals.

**Dr. Pooja Chawla** Department of Pharmaceutical Chemistry, Gyani Inder Singh Institute of Professional Studies, Dehradun, Uttarakhand attended APP 3rd Annual National Convention on ‘Novel Drug Discovery and Development: Current Status and Challenges Ahead’ organized by Association of Pharmacy Professionals at Faculty of Pharmacy, Dharmsinh Desai University, Nadiad, Gujarat on 18th January, 2014. She won "BEST ORAL PRESENTATION AWARD" in ‘Pharmaceutical Chemistry’ Section for her presentation on topic ‘Conventional and Microwave Assisted Synthesis of (2,3-Disubstituted)-4-Thiazolidinone Derivatives’ during the convention.

**Dr. Nitin Bansal** Head, Department of Pharmacology, ASBASJSM College of Pharmacy, Bela, Ropar, Punjab attended APP 3rd Annual National Convention on ‘Novel Drug Discovery and Development: Current Status and Challenges Ahead’ organized at Faculty of Pharmacy, Dharmsinh Desai University, Nadiad, Gujarat on 18th January, 2014. He won “BEST ORAL PRESENTATION AWARD” in ‘Pharmacology’ Section for his presentation on ‘Anxiolytic Activity of Angiotensin Receptor Blocker: Behavioural and Biochemical Evidences in Mice’.
Dr. Palanisamy Selvamani Assistant Professor, Department of Pharmaceutical Technology, Anna University, BIT Campus, Truchirappalli, Tamil Nadu attended APP 3rd Annual National Convention on ‘Novel Drug Discovery and Development: Current Status and Challenges Ahead’ organized by Association of Pharmacy Professionals (APP) at Faculty of Pharmacy, Dharmsinh Desai University, Nadiad, Gujarat on 18th January, 2014. He won “BEST ORAL PRESENTATION AWARD” in ‘Phytochemistry’ Section for his presentation on ‘Phytoconstituents and Pharmacology of Commiphora berryi’.

Mr. Vaibhav M. Darvhekar Research Scholar, Department of Pharmacognosy, NIMS University, Jaipur, Rajasthan attended APP 3rd Annual National Convention on ‘Novel Drug Discovery and Development: Current Status and Challenges Ahead’ organized by Association of Pharmacy Professionals (APP) at Faculty of Pharmacy, Dharmsinh Desai University, Nadiad, Gujarat on 18th January, 2014. He won “BEST POSTER PRESENTATION AWARD” in ‘Pharmaceutical Technology’ Section for presentation on ‘Characterisation of Gum from Lepidium sativum Linn. and Hibiscus esculentus Linn. for its Film Forming Properties’.

Ms. Gunjan Jadon Research Scholar, Pacific University, Rajasthan and Assistant Professor, Department of Pharmaceutical Chemistry, Shrinathji Institute of Pharmacy, Nathdwara, Rajasthan attended APP 3rd Annual National Convention on ‘Novel Drug Discovery and Development: Current Status and Challenges Ahead’ organized by Association of Pharmacy Professionals (APP) at Faculty of Pharmacy, Dharmsinh Desai University, Nadiad, Gujarat on 18th January, 2014. She won “BEST POSTER PRESENTATION AWARD” in ‘Natural Product Chemistry’ Section for her presentation on ‘Preparation of Herbal Mosquito Repellent from Begunia Leaf’. She is life member of Association of Pharmacy Professionals.

Mr. Jun M. Kalita Research Scholar, Department of Pharmaceutical Sciences, Dibrugarh University, Dibrugarh, Assam attended APP 3rd Annual National Convention on ‘Novel Drug Discovery and Development: Current Status and Challenges Ahead’ organized by Association of Pharmacy Professionals (APP) at Faculty of Pharmacy, Dharmsinh Desai University, Nadiad, Gujarat on 18th January, 2014. He won “BEST POSTER PRESENTATION AWARD” in ‘Drug Design and Medicinal Chemistry’ Section for his presentation on ‘Search of an Accurate and Reliable Docking Protocol: A Comparative Statistical Study’.

Mrs. Seema Bansal Research Scholar, Pharmacology Research Laboratory, University Institute of Pharmaceutical Sciences, UGC Center of Advanced Study, Panjab University, Chandigarh attended APP 3rd Annual National Convention on ‘Novel Drug Discovery and Development: Current Status and Challenges Ahead’ organized by Association of Pharmacy Professionals (APP) at Faculty of Pharmacy, Dharmsinh Desai University, Nadiad, Gujarat on 18th January, 2014. She won “BEST POSTER PRESENTATION AWARD” in ‘Pharmacology’ Section for her presentation on ‘Role of Estrogen Receptor Modulators in Post-menopausal Diabetes Induced-Vascular Endothelial Dysfunction’.
